## Message from the Executive Headteacher

Dear Parents,

Another quiet week, but Kingfishers are getting very excited about their residential trip next week. Mrs Morris seems to think she is going on holiday, but I keep pointing out she is going to be working! We are going to Stoke Gabriel for two and half days. The children will be taking part in coasteering, Kayaking, rafting, archery, orienteering and bushcraft. The children will sleep in bell tents and it is a fantastic opportunity for the children, especially after such a complicated time recently.

I will also be taking part on the residential and therefore Mrs Morris and I will be away for the first three day and then I return on Thursday and Friday. If you need any support while we are away Mr Bladon, Head of School at Payhembury will be in charge for the first three days and available if you need help. Please don't hesitate to call the office who will connect you to Mr Bladon.

And some good news Mrs Ireland had her baby before half term, and both are doing well. She had a little girl called Lizzie.
