

For those of you having to self isolate

Time expectations	Activity	What I need to see evidence of
30mins daily Reading	30mins daily Reading - include a range of texts. Talk about what you've read.	Daily record in your reading journal Normal reading journal activity once a week
30 mins physical activity	Be active - you've your phizzifit login, go outside jump on a trampoline etc	Phizzifit record
30 mins maths	Times tables practice Corbett maths - a daily bronze, silver, gold and platinum sheets covering a mix of maths. Aim for a max of 5mins per level. www.corbettmathsprimary.com/5-a-day/ Times tables activities, year 6 arithmetic and mini maths for each year. https://myminimaths.co.uk/	Working out and answers (you don't need to print out every page)
Discussion texts	Should we have a say in what we learn in school ? Discuss. Work out reasons for and reasons against (just as we have done for homework ?	Notes to show your thoughts. A discussion text responding to the question. (intro, for, against, conclusion)

Create a café in your house –
Cook some of your dishes.
Present the menu.
Work out the cost of different meals – how will you make a profit ?

Cost of different meals and change given.

Find out about food hygiene.

Imagine you are a rooftoper (you'll need to recap the story to your parents)

Where would you live ?

What would be your survival techniques ?
You might like to try some of these (if they are safe and realistic)

Write a diary about a week in your life.
Illustrate it.

Remember, it doesn't need to be set today – it could be in the past or future.

SATS – Keep on going with your revision. I've attached a spelling list for you to look at/be creative with ...

9th-15th March

Should we have a say in what we learn at school?
