

FORT Federation – Payhembury Church of England Primary School

What is the PE and Sporting Fund?

The government is providing funding of £150 million per annum for the academic year from 2013/14 to 2020/21 to provide new substantial primary school sport funding. The funding is being jointly provided by the Department for Education, Health and Culture, Media and Sport and will see money going directly to primary school Headteachers to spend on improving the quality of sport and PE for all children.

Purpose of the funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but will have the freedom to choose how they do this.

Possible uses for the funding include:

- Hiring specialist PE teachers or qualified sport coaches to work alongside primary teachers when teaching PE to support their professional development,
- New or additional Change4 life sport clubs
- Providing cover to release primary teachers for professional development in PE/sport
- Running sport competitions, or increasing participation in the school games
- Buying quality assured professional development modules or materials for PE/sport
- Providing places for pupils on after school sports clubs.

How will Payhembury be spending the PE and Sporting Grant, who will benefit?

Review of 2014/15

Action	Funding	Impact
Shared contribution towards SPP- The Kings.	£2041	All children benefitted from the work alongside Kings. We had a clear timetable of events with a whole years notice. The diary was kept and dates were committed which allowed the school to plan for transport arrangements and other events in school. HL contribution was excellent clear lines of communication with all PLT's across the learning community.
After school multi skills club for KS1	£125	Nearly all our KS1 children accessed after school provision at some point through the year. Children gained the opportunity of attending a club and to develop their skills in different sporting activities. Clear feedback from the leaders to the class teacher on children's progress which feed into their ongoing assessment of the children's progress in PE.
Transportation to sporting event	£100	All children could take part in the events organised throughout the year. Safe and efficient transporting of children without involving parent travel.

Ensuring lifeguard cover during swimming lessons in the autumn term.	£200	All swimming lessons were delivered with the best level of health and safety for the children.
CPD – H Little I full day per week to support co-ordinator, class teachers and	£4000	We achieved our Sainsbury Award for Sports due to the work carried out by HL and NB. Evidence was accumulated and presented to achieve the award. Schemes of work have been developed to support non specialist PE teachers. Lessons observed demonstrate outstanding PE teaching and therefore raise standards across the school.
After school club – H little	£500	High take up of children attending the club. Clear development of PE skills linked with the club.
Purchase of specific equipment to support the PE curriculum.	£1000	New equipment purchased impacted on the quality of learning taking place during lessons. Children very excited and keen to do their best using the equipment.
