

October 2020

Hi all,

I just thought I would give you all a quick update before half term.

As you know we had our AGM on Thursday 8th October. Everyone has agreed to stay on in their current roles – a huge thank you to Roz especially. We also have a returning member and a few new faces who have expressed an interest behind the scenes.

So, to clarify, going forward for this academic year, the committee is as follows:

Chair	Anita Elsom (Elizabeth Year 1)
Secretary	Sue Morris (Archie Year 6)
Treasurer	Roz Mullin (No-one at school – so extra big thank you)
General	Gemma Millett (Annabel Year 3 and Max Year 6)
	Lisa Weekes (Rowan Year 2)
	Pauline Gibbins (William Year 3)
	Sarah Harries (Maisie Year 3)
	Georgina Searle (Isla Year 5)

Anyone else that would like to receive committee minutes or would like to go on our helpers list then please email me at robin.elsom@btinternet.com and I will add you to the list. The helpers list is the first place we go to when we need support to run events. There is no obligation to say yes to any of the requests, it just means that you are willing to be asked first. Those already on

the list from last year only need to email if they would now like to come off or if any details have changed.

The committee meeting that took place after the AGM mainly concentrated on ways that we can fund raise for the school over the next year. We have a few options that we are currently exploring and I hope I can update you after half term. Christmas is also very much on our minds and we are trying hard to think of ways that we can mark the season while staying safe.

As always, any ideas are welcome at any time.

Hope you all manage a peaceful and enjoyable half term. Stay safe.

Anita

(FOPS Chair)
