Message from the Headteacher

Dear Parents,

Well, it's been a really great week. There is no way to describe what a beautiful sound it is to be sitting in my office listening to the school. There is a light hum of learning, a bubbling of chatter and the frequent interruption of laughter. The playground has come alive, and the smiles and constant stream of engaged children is a pure delight.

It's easy to see how tired the children are at the end of the day as the noise becomes a little more subdued. Thank you for the great efforts with the uniform but please let me assure you every child has grown. So, let's all do our best till the shops reopen, especially the shoe shops.

Thank you to all those of you who have downloaded the School Ping App. I hope you have found it helpful. I think over time you will really notice the benefits of having a communication app that keeps the vital information together and reduces the time it takes to search your inbox for past documents.

Next week we have Bikeability starting for Beech class on Monday and Tuesday. We are trying to maintain our curriculum opportunities but unfortunately still no trips or additional clubs yet.

Red Nose Day has arrived again, next Friday the children are going to dress up as a Superhero. It is always a fun day so thanks again in advance.

I hope you have a great weekend,
With regards,

Mrs Penny Hammett
Executive headteacher
